

Patriot Families,

It is with great pride and excitement that I write this letter to you as the returning principal of South Columbus Preparatory Academy Southfield for the 2021-22 school year! I have been with the ACCEL family of schools since 2009. My background includes 9 years as classroom teacher as well as 4 years as principal. I have been with SCPA as the principal since it opened in 2017.

SCPA Southfield has experienced a great deal of academic success and personal growth from our students since being established in 2017. This success has come from the hard work, and dedication of our staff, students, community, and parents. As we continue our quest for excellence, we encourage you to reach out to our administration to see how you can get involved. As staff, we pride ourselves on teaching and possessing the “Patriot Mentality”. Much like the late great Kobe Bryant’s “Mamba Mentality”, The Patriot Mentality encourages a dedication above and beyond what others are willing to do. It is the striving for excellence, the laser like focus on one’s goals, and the desire to the best version of oneself. This extends further than just the classroom. These are the personal qualities that will result in success in one’s personal life as well as in the classroom.

I am excited to see what the 2021-2022 school year holds. I am excited to meet our new students and see our returning students. I want to thank you all personally for trusting our team with your child’s future. There is no greater honor than to be given an opportunity to play a pivotal part in the growth of a child. We will work tirelessly to ensure that we are doing everything we can do to ensure your child comes to school every day to a safe environment that will promote personal and educational growth.

Our administration team has an open-door policy. If you have any questions, concerns, or suggestions please reach out to set up a meeting or just contact us by phone or email. SCPA Southfield is a community, and it takes a village. Thank you again for enrolling in SCPA Southfield!

Welcome to “THE FIELD”,

Kyle Glispie

Head of School SCPA Southfield
